

During the first October guidance Class:

- Student learned about setting goals. We talked about goals for this year and goals for the future. Students shared about various goals they have and what it would require for them to reach these goals.
- During the second October guidance class: Students learned about “Red Ribbon Week” and making healthy choices. Students discussed healthy goals they could set for themselves. Students were given construction paper to take home to create a Red Ribbon Week poster about being healthy to hang in the hallway during the week. Students in grades 1-4 also vote for ambassadors.
